

# XCALIBER - PROPANE

Dixie Chopper pioneered the mowing industry's first true propane-powered machine. This engine was designed to run on propane without a conversion kit. Although gasoline-powered mowers may be prohibited on "green" days or "no-zone" days, it's business as usual for the Xcaliber Propane mower.

Up to a  
**5 Year**  
WARRANTY  
Including a  
**3,000 Hour**  
Drivetrain Warranty  
(See dealer for details)

## Propane Tanks

Reduces ozone depleting emissions by more than 50 percent.  
No evaporative emissions  
Tanks are non-permeable  
No fuel contamination

Retractable seat belt with an aircraft style buckle for quick release

Certified "halo" style roll bar

12 Volt accessory plug

Turf Boss Tires 25 Inch

Stainless steel body

Springer front forks

OCDC Operator Controlled Discharge Chute

Anti-scalp rollers

Xcaliber 3074 LP Shown

Models	Engine Horsepower	Deck Sizes	Acres Per Hour	Fuel Capacity
Xcaliber 3066LP	Generac 990cc	66 Inches	5.9 Acres Per Hour	15.8 Gallons
Xcaliber 3074LP	Generac 990cc	74 Inches	6.6 Acres Per Hour	15.8 Gallons

Acres per hour is calculated on 80% operator accuracy and mowing conditions. Optimum cutting height 2.5" to 4.5" outside that range minor adjustment may be required. Visit [dixiechopper.com](http://dixiechopper.com) or your local Dixie Chopper dealer for more information.
